

**STANHOPE2011**

Pre-Conference Survey Results

1. Has your service reduced or eliminated training as a result of recent economic conditions?

|       |     |      |
|-------|-----|------|
| Yes   | 33  | 33%  |
| No    | 67  | 67%  |
| Total | 100 | 100% |

2. Given the current economic challenges, how many police services would your service regard e-learning/blended learning as a non-saving measure or as an additional cost?

|                 |    |      |
|-----------------|----|------|
| Cost saving     | 32 | 32%  |
| Additional cost | 4  | 4%   |
| Total           | 36 | 100% |

3. Approximately what percentage of your training curriculum is currently covered online?

|               |    |      |
|---------------|----|------|
| 0 - 10%       | 19 | 53%  |
| 10 - 20%      | 12 | 36%  |
| 20 - 30%      | 2  | 6%   |
| 30 - 40%      | 6  | 20%  |
| More than 40% | 1  | 3%   |
| Total         | 36 | 100% |

4. What are the primary barriers to using more e-learning/blended learning within your service? (Check all that apply)

|   |    |     |
|---|----|-----|
| Subject matter  | 15 | 42% |
| Insufficient technology/capacity to effectively deliver online training   | 14 | 39% |
| Lack of appropriate training resources (i.e. existing e-learning courses) | 12 | 33% |
